

MESSAGE FROM THE PRINCIPAL

At the time of writing, I am slightly incredulous that we have reached the half-way point in the academic year....

In terms of the curriculum, the development of CREATE is moving apace and will form part of a wider review of the structure of Key Stage 3 and 4, which I will update parents and pupils on in the second half of the Spring Term.

Challenge	Stretch and extend learning to foster a deeper understanding beyond the content of the National Curriculum and GCSE specifications.
Regulate	Plan, monitor and evaluate specific aspects of learning to foster greater responsibility and independence – DRAFT.

In recognition of the above, the Academy received a commendation from Fisher Family Trust (FFT) for recording an attendance level in the top 25% of similar schools nationally.

In terms of site/estate work, I am pleased to confirm that the Academy will shortly be embarking on an energy efficient infrastructural project involving the installation of solar panels, funded in part, by a one-off ring-fenced capital grant of £42, 000 from the Government.

STUDENT LEADERSHIP TEAM

During this half term, the Student Leadership Team (StLT) have been working primarily on the recruitment and selection process for the incoming Prefect Team. This has involved the StLT presenting to pupils in assemblies about the roles available and the different stages of the recruitment process.

The Academy had over 100 applications, with 67 pupils applying for positions on the StLT. The next stage will involve applicants completing mock duty trials before feedback is sought from staff on pupils' suitability for the role.

In addition to the recruitment of their successors, on Tuesday 8th February, the StLT met with Mr. N. Houchen to feedback the main points raised within the forum of Student Voice. Mr. N. Houchen was impressed by both the scale and scope of the ideas and the drive of the team in pushing their suggestions forward.

REVERSE ADVENT CALENDAR

Throughout December, members of our school community came together to donate food items for the 'Reverse Advent Calendar' initiative.

Once again, the wonderful generosity and efforts of our pupils, parents and staff allowed us to donate an amazing number of food parcels to One Love Soup Kitchen - approximately 55 boxes in total!

Our donations allowed volunteers at One Love Soup Kitchen to produce food hampers, gift bags and evening meals for individuals and families over the Christmas period.

JACK PETCHEY AWARDS

Isabella S. (IIR)

Isabella was nominated for this award for coming to the aid of people in her local community. On one occasion, Isabella assisted a child who had badly hurt himself whilst at a trampoline park; she administered first aid and ensured he was looked after. On another occasion, Isabella escorted a child, who had crashed his bike on his way to school, to their local school to make sure he got there safely. She really is a selfless person who is always considerate of others. Well done Izzy!

Aila C. R. (IIB)

Aila was nominated for this award for outstanding commitment to academic excellence – she really is incredibly motivated, so able and such a deserving recipient. Her drive and determination are testament to her astonishing work ethic – nothing is too much of an effort or challenge; in fact, she sees the challenges before her as important learning opportunities which will assist her on her journey to success. She is also Youth Mayor for Southend, again, using her drive and motivation to make change – not just for herself, but for the wider community. She is an inspirational pupil who will go far!

Gabrielle H. (I0K)

Gabrielle was nominated for this award following her appointment as a Student Ambassador for the Multi Schools Council - the first young person in the Southend locality to be appointed! We are very proud of Gabrielle for putting herself forward for this role as are her family and friends. Further, Gabrielle is a role model for other pupils, always achieving exceptionally well across all of her subjects, and is a kind, generous and courteous individual to boot! Well done Gabrielle!

Upon the completion of the tournament, two trophies were on offer; the first, a prestigious prize for the winning national team and the second, an opportunity to display the culture of the country to our Student Leadership Team judges.

First prize went to Mrs. N. Lawrence's Argentinian team (10R) who proudly displayed their mascot of a life-sized model of Lionel Messi. (Pictured Harry C. 10R).

Second prize was a close contest with many tutor groups clawing at the chance to hold the trophy in their hands. A few forms to mention: Mrs. S. Stanley's musically talented 7A creating a rap about France; Mr. B. Salmon's crafty 7S Spaniards who decorated the classroom and themselves in red and yellow; Ms. E. Heath's 8S American lemonade stand; and Ms. V. Lang's 8W origami creations. One form stood above the rest with their interpretation of Saudi Arabia's culture. 9S tackled the challenge head on with Mrs. J. Edwards calling a team meeting to arrange her squad. Pupils brought in thobes to wear, dates to try, informative camel pictures and even performed a dance number to Arabian Nights. (Pictured Triumph S. 9S).

On Tuesday 10th January, Mr. N. Houchen met with pupils who were individually picked for their hard work and creativity to pull the school's community spirit together during the FIFA competition. Events

MENTAL WELLBEING DROPDOWN

On Tuesday 24th January, Year 7 pupils attended a dropdown session focusing on Mental Wellbeing.

Eleni C, a music artist who has toured with Fleur East, Alesha Dixon and Little Mix was invited to deliver the session. She performed several of her songs, which was met with a lot of excitement and dancing. She then discussed various topics around mental wellbeing and the difficulties that she has personally had to overcome to get to where she is today.

Pupils were then invited to participate in a Q&A session, where a myriad of thoughtful questions and mature responses were articulated by our pupils.

At the end of the session, pupils had a chance to meet Eleni and collect a signed flyer.

JACK PETCHEY SPEAK OUT CHALLENGE

On Thursday 16th January over 30 Year 10 pupils participated in the Jack Petchey Speakout Challenge, to learn how to create a speech full of originality and impact.

The activity took all day, with Ore, the representative from Jack Petchey, providing the pupils with lots of ideas, tips and hints. At the end of the event, each pupil then delivered their speech to their team, with Ore, Mr. M. Pearl and Mr. S. Howard judging which speeches were the most effective.

The competition was fierce. Six pupils made it through, and they now have to enhance and improve their speeches

in the battle to be the representative for the Speakout Challenge Regional Final which will take place on Tuesday 25th April.

OCR NATIONALS I MEDIA PHOTOGRAPHY NON-EXAM ASSESSMENT

On Wednesday 25th January, 20 Year 11 I Media pupils visited Southend High Street for their photography assignment.

The theme was 'the built environment' and pupils had to gain photographic evidence for their portfolio to include historical, modern, commercial and residential buildings.

Pupils planned their photoshoot, took the photographs and then edited selected images ready for a final display in an exhibition gallery and a printed magazine, *Rediscovering Architecture*.

NATIONAL APPRENTICESHIP WEEK

National Apprenticeship Week #NAW2023

During PDE – 'Preparing for the Future' sessions, pupils across Year 8-11 have been finding out about

apprenticeships.

Pupils initially explored 'What is an apprenticeship?' including a key myth busting exercise.

Pupils discovered that there are over 600 different apprenticeships in England from Accounting to Zookeeper. Pupils also heard from apprentices working for Amazon; Great Ormond Street Hospital; the Royal Navy; Lloyds Banking Group; and Siemens. In addition, pupils also discovered a range of employers offering apprenticeship roles from the British Army; BT; McDonalds; National Rail; Stagecoach; Tesco; and Pepsu.

Pupils also explored how the subjects they study link to apprenticeships and the session ended with pupils creating a social media post promoting apprenticeships. The winning design will be used for the EastwoodAcademyFutureReady Instagram account.

Extra-Curricular

SPORTS LEADERS

During this half term, the Year 9 Sports Leaders have continued developing their communication and organisation skills. They have been planning fitness sessions and successfully delivering them to Year 7 pupils.

On Wednesday 25th January, some of the Sports Leaders had the opportunity to assist in the delivery of a Year 3 and 4 Cricket Festival. They were quite nervous before it started, apprehensive to what the event was going to be like; however, once it started, all the nerves disappeared as they showed both confidence and enthusiasm in leading the cricket activities. The feedback from staff was very complimentary.

Well done Sports Leaders!

EASTWOOD PODCAST

This half term, the Podcast Team, Rosie W. (8A), Ruby H. (8A), Louis C. (10S) and Ellie T. (11R) conducted interviews with different groups of pupils about some of the exciting opportunities on offer at the Academy.

Second, the team interviewed pupils who participated in the Jack Petchey Speak Out competition to find out what the competition is and how it may help lead to new opportunities.

Third, Rosie W. (8A), conducted a very special interview with professional musician Eleni C. who delivered a captivating drop-down session to Year 7 pupils on mental wellbeing.

Lastly, the team interviewed the Diversity Committee about the upcoming 'Culture Day'. The team wanted to find out more about the role and function of the Diversity Committee and what they had planned for the day.

LITERACY

As we begin a new year it is customary to want to take a glimpse into the future. To this end, we asked our brilliant Literacy Ambassadors to pen their hopes and dreams for the coming twelve months.

We yearned for an insight into what a young generation might anticipate for their future. They realised a range of dreams and opinions for themselves, their school, their communities and the world at large.

Recently published work can be found on the Academy website [Literacy for Pupils](#) page. A link to one such piece by Eva L.M. (7W) can be accessed by clicking on the link below.
